

Austin/Travis County Reentry Roundtable Women Reentry Services Initiative Update 12-11-14

Goal:	To review current reentry services for women in Travis County involved in the criminal justice system (in prison/jail or on probation/parole), identify their reentry needs and make recommendations to enhance services
Key Objectives:	<ol style="list-style-type: none"> 1. Reach consensus on goal/s/work plan/timeline of initiative (August 2014) 2. Literature review <i>*(including best practices identification for services)</i> 3. Collect local data related to women entry and reentry into the criminal justice system 4. Identify reentry needs of women <i>(using literature review, survey, focus groups* and any local data collection already existing)</i> 5. Identify current women reentry services and capacity of services <i>including local trauma informed work*</i> 6. Identify gaps in services and make recommendations for enhancing. 7. Host final forum with key stakeholders 8. Complete key findings/recommend implementation of services
Deliverables:	<ul style="list-style-type: none"> • Literature review, survey analysis, service mapping • Summary reports/reviews of key findings on all objectives • Forum and key meetings to inform interested audience • Recommendations for enhancements

*Added activities as consensus during the stakeholder meeting on 10-03-14
